

## SHORT TERM REGISTRATION PERMIT (STRP)

**This form must be completed and submitted by the Club to the League 1 Ontario (L10) League Administrator.  
The Club will be notified by the League Administrator once the permit is validated.**

### PLEASE NOTE:

- a) League1 Ontario does not allow players who are registered in the Ontario Soccer registration system (OSCAR) solely via an STRP to be listed on the official game sheet for an official L10 Match. If a short-term registrant participates in an official L10 match, they will be deemed ineligible, and the club shall face a penalty as per the L10 Discipline Code.
- b) The STRP shall be used by L10 teams to register players with Ontario Soccer (for a maximum period of 30 days) for the purpose of:
  - i. participating in any type of Tryout/Trial activity with the L10 team, and/or
  - ii. participating in Exhibition (Friendly) Matches that are not part of the official L10 schedule, and/or
  - iii. participating in training sessions only (with no intention of participating in an official L10 match).
- c) An STRP may be used to temporarily register a player (maximum 30 days) who was last registered outside of Canada or last registered outside of Ontario and who thus requires an International Transfer Certificate (ITC) or an Inter-Provincial Transfer Certificate (IPTC) to register to play in official soccer matches in Ontario. However, while temporarily registered via an STRP, such players may not participate in an official soccer match.
